PROFILE

I am a highly motivated and enthusiastic student with a passion for technology and innovation. Pursuing my degree in BSC Honours Information Technology at Middlesex University, I am constantly seeking to expand my knowledge and skills in this rapidly evolving field. I am excited to bring my skills and enthusiasm to any role or project that I undertake, and look forward to making a positive contribution to any organization or team that I work with.

SKILLS

Computer Programming (Java, Python, C# and Javascript)

Frontend and Backend development

SQL Server Management

Data Analytics

Machine Learning

2D/3D Design and Visualization

Valid UAE Drivers License

LANGUAGE

English

Hindi

Urdu

WORK EXPERIENCE

DEVELOPER INTERN

Inlogic IT Solutions

June – August 2024

I worked as a developer intern at Inlogic IT Solutions, where I gained hands-on experience in various technologies. During my internship, I developed web applications using Angular and .NET ASP Core, programmed backend services with Node.js, and enhanced my skills in C# and JavaScript. I also utilized SQL for database management, ensuring data integrity, and performing data manipulation tasks. Through this role, I collaborated closely with senior developers and cross-functional teams, significantly improving my technical and problem-solving abilities.

ADVANCED DATA ANALYTICS

Labware LIMS Part time Internship

May -Oct 2023

As an Advanced Data Analyst, I had demonstrated expertise in full-stack development, SQL server setup, and project management. My role involves designing, implementing, and optimizing AI models and machine learning solutions to facilitate data-driven decision-making and predictive analytics. I leverage my technical acumen and innovative thinking to revolutionize data analysis processes, driving business success through actionable insights. With a passion for staying at the forefront of technological advancements, I am always ready to embrace new challenges and opportunities in the dynamic field of advanced data analytics. My dedication to excellence ensures seamless integration of data-driven solutions to meet organizational objectives.

HAPPY JINGLE NURSERY

IT Intern

2022-23

As an IT intern, I played a vital role in creating an effective educational setting by setting up servers and PCs for teaching purposes. My technical expertise ensured successful deployment and configuration of server systems, enhancing network infrastructure for efficient data management. I installed and optimized PCs, empowering educators with reliable tools for engaging lessons. Proactive problem-solving and teamwork skills enabled me to resolve technical issues promptly, fostering a seamless technology-enabled learning environment, leaving a positive impact on the institution's educational capabilities.
